Current Projects:

November 2008

Volume 4

We've started on the patio.

Our future game room:

OUTDOOR PATIO

We are creating an outdoor patio. The patio will be between our main building and the small building to the north, which will soon be a game room for our younger guests to enjoy. We already have most of the donated concrete pavers down. Next we need to fence in the area so children are safe moving between buildings. We also have some patio furniture and large games that were donated to us years ago for this purpose. The pictures (left) will give you an idea of the work to be done.

GAME ROOM FOR YOUTH

This is a work in progress. The building was used for storage for 5 years, but is finally coming together. We're now thinking of putting down a wood floor so it can be used for dance & drama groups too. Break dance for Jesus! (Google: Urban D)

God has made our mission more clear: Focus on the youth! So, we also need this extra room for our Monday SuperKid and Battlefield Kid groups which are growing in numbers. Isn't God good?! Anybody got a Ping-Pong Table you don't need anymore? Call us!

YOU can help meet our needs!

To complete the patio and game room, we need various types of materials and labor.

Take a look at this list. If you or someone you know would be willing to donate any of these items, please let us know.

Of course, money is always welcome, but **we also need** about 60 ft. of tall, decorative metal or **aluminum fence rail with a gate**. This will provide security for children (and adults) without looking like a chain link jail from the front of the patio.

We already have a new drop-ceiling + installation donated, and just had mirrors donated to cover an entire interior wall, but **we need 20 sheets of drywall**. For the floor, **we need 14 sheets of ¾" plywood**.

TCF is a non profit group right here working to improve the community. All our funding is by donation. We are all volunteers.

Please get involved with us and help make a difference in this community, especially for the children. What's stopping you?

Dreams & Visions

Proverbs 29: 18

Where there is no vision,
the people perish.

TCF began with a vision that God wants to make a difference in this community.

We still have that vision and believe that even now God is changing situations, attitudes, and hearts. What is your vision for this community? For your neighborhood? For your life? Please join with us in prayer for our community.

Christmas Gift Baskets

We'll soon be taking orders for Christmas Gift Baskets. Start making your list now! Order forms can be viewed at www.tcfedge.org.

YWAM UPDATE

Check out this website for an exciting update from the YWAM group!

Spotlight on . . .

****JONATHAN NEWHALL****

Jonathan played at the Christian Edge this Nov. Jon is a talented and anointed musician and singer. He has a heart for God and sincerely seeks God's will in his life.

Currently, he is an intern at [One Thing Prayer Center](#). One Thing Prayer Center is not a church, but a center where people can come to pray, worship, study the Bible, and attend various classes on spiritual growth. We visited Jon in Brandon after he played at CE. One Thing Prayer Center has several churches scheduled to utilize the facility for services throughout the week until they have funds to acquire their own facility. Great concept. The sound system and some instruments are already set-up for their use. There's even a small coffee shop, too. One of the benefits of the CE CoffeeHouse has been having the opportunity to meet folks like Jon.

Don't miss your opportunity! Visit the Christian Edge CoffeeHouse and enjoy an evening with fellow Christians and meet great Christian musicians like Jon, using his talents to spread the message about God.

HELP MAKE A DIFFERENCE IN THIS COMMUNITY BY SUPPORTING TCF!

We appreciate your support in whatever way you can.

Ways to support TCF ministries:

1. Please add us to your prayer list. Pray for the leaders in TCF to be led of God in all that they do. Pray that God will continue to send helpers and laborers our way.
2. Please consider being a financial supporter of TCF ministries. To continue having the use of our building and making needed improvements, we need funds. Please pray about becoming a monthly partner or making a onetime donation. Make checks payable to 'TCF'. Mail to TCF, PO Box 2, Lacoochee, FL 33537. Your donations will be much appreciated. May God richly bless you!
